

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF ALABAMA
SOUTHERN DIVISION**

DEREK JASON WRIGHT,

Petitioner,

VS.

**KIM T. THOMAS, Commissioner,
and THE ATTORNEY GENERAL
OF THE STATE OF ALABAMA,**

Respondents.

Case No. 2:14-cv-00602-CLS-HGD

MEMORANDUM OPINION

On March 11, 2015, the magistrate judge's report and recommendation was entered and the parties were allowed therein fourteen (14) days in which to file objections to the recommendations made by the magistrate judge. On March 25, 2015, petitioner filed objections to the magistrate judge's report and recommendation.

After careful consideration of the record in this case, the magistrate judge's report and recommendation and petitioner's objections thereto, the court hereby **OVERRULES** petitioner's objections, **ADOPTS** the report of the magistrate judge, and **ACCEPTS** his recommendations.

Pursuant to Rule 11 of the *Rules Governing § 2254 Cases*, the court has evaluated the claims within the petition for suitability for the issuance of a certificate of appealability (COA). *See* 28 U.S.C. § 2253.

Rule 22(b) of the Federal Rules of Appellate Procedure provides that when an appeal is taken by a petitioner, the district judge who rendered the judgment “shall” either issue a COA or state the reasons why such a certificate should not issue. Pursuant to 28 U.S.C. § 2253(c)(2), a COA may issue only when the petitioner “has made a substantial showing of the denial of a constitutional right.” This showing can be established by demonstrating that “reasonable jurists could debate whether (or for that matter, agree that) the petition should have been resolved in a different manner,” or that the issues were “adequate to deserve encouragement to proceed further.” *Slack v. McDaniel*, 529 U.S. 473, 484 (2000) (citing *Barefoot v. Estelle*, 463 U.S. 880, 893 & n.4 (1983)). For procedural rulings, a COA will issue only if reasonable jurists could debate whether the petition states a valid claim of the denial of a constitutional right and whether the court’s procedural ruling was correct. *Id.*

The court finds that reasonable jurists could not debate its resolution of the claims presented in this *habeas corpus* petition. For the reasons stated in the magistrate judge’s report and recommendation, the court **DECLINES** to issue a COA with respect to any claims.

A separate order in conformity with this Memorandum Opinion will be entered contemporaneously herewith.

DONE this 27th day of March, 2015.

United States District Judge
